AHP

Artesian Home Product's Limited Lifetime Warranty

Artesian Home Products (AHP) supplies HomeCraft Gutter Guards and warrants that the Product material will not split/crack due to winter cold or will not burn or support combustion due to summer heat as it is fabricated from aluminum rails and stainless steel mesh (Product). The AHP Gutter Guard Limited Lifetime Warranty applies only when the Authorized Installer, HomeCraft Gutter Protection, Inc. performs the Product installation. Artesian Home Products reserves the right to change this warranty at any time, but all warranties in effect at the time of installation will not be affected by any changes and will remain in effect until their expiration.

AHP's Product Warranty

Artesian Home Products warrants a Limited Lifetime transferrable warranty from the original date of purchase, when installed in accordance with our specifications, and when installed by HomeCraft Gutter Protection. The Product is free from defects in material and workmanship in the course of manufacture and that the finish on the Product will not chip or blister under conditions of ordinary wear. This warranty is limited to the terms and conditions, exclusions and limitations, requirements and legal rights stated in this warranty. This warranty covers only genuine Products from AHP.

HomeCraft's Performance Warranty

Artesian Home Products warrants that the Product will never allow your gutters to clog or overflow due to debris accumulation in the interior of your gutters. This warranty is limited to the terms and conditions, exclusions and limitations, requirements and legal rights stated in this warranty and when installed in accordance with the AHP's product installation specifications.

Conditions

If, for any reason, the Product type originally installed is no longer available at the time you make a warranty claim, we may substitute another product determined by us to be of comparable quality and price. The Limited Lifetime of the Product is 40 years. Should the installed Product need to be removed and reinstalled for any reason, the Limited Lifetime Warranty will still apply only when performed by HomeCraft Gutter Protection.

There are no warranties on the Products other than as set forth in this warranty. We are not liable to you for a breach of any other written or oral express warranties, such as those, if any, given to you by installers, dealers, contractors, applicators, or distributors of HomeCraft products.

Due to normal weathering, replacement Product may differ in gloss or color from the Product originally installed. We exclude and are not responsible for any consequential or incidental damages arising out of any breach of this expressed warranty, or any other oral, written, or implied warranty that may apply to your purchase, as it relates to the Product. This is your exclusive Limited Lifetime warranty and is in lieu of all other warranties, express or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, and some states do not allow limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to you. The obligation under this warranty will in no event exceed the purchase price of the originally installed Product found to be defective. In the event that we choose to replace the

Product, we will only be responsible for providing material and not the cost of labor to install or shipping costs. Any warranty claim must be submitted through HomeCraft Gutter Production, Inc. and shall include the original or copy of the Product invoice for the specific home it is installed on, warranty affected pictures, and a 12"+ sample of the affected Product.

The Product is one of the best performing micro-mesh gutter guard on the market today when sold and installed by HomeCraft Gutter Protection, Inc. In most cases, rainfall alone is sufficient to keep it clean, but there may be some instances where cleaning/maintenance will be required by the homeowner. Light winds should remove most surface debris (due to the raised designer shape mesh and installation angle), but if debris is wet or compressed, higher winds may be required to effect shedding. We recommend occasional homeowner maintenance of the Product (see the HomeCraft maintenance procedure available on line at www.HomeCraftgutterguards.com).

EXCLUSIONS/LIMITATIONS

This warranty does not cover -

- Harmful chemicals exposure
- Product being used for unintended purposes or in an inappropriate manner
- Panel incorrect removal
- Excessive heat, >120 F
- Mold or mildew accumulation
- Contact with dissimilar materials
- Damage caused by acts of God, including hurricanes, lightning tornados, thunderstorms, windstorms, hail, etc.
- Failure to perform routine maintenance
- Damage or performance failures due to improper installation by a party other than HomeCraft Gutter Protection
- Vandalism
- Alterations from original installation by a party other than HomeCraft Gutter Protection
- Damage caused by building or home structure settling or foundational distortion
- Natural wear caused by weather or acid rain or other caustic environmental conditions
- Impact of foreign objects
- Products that have been repainted or whose surface has been altered by a party other than HomeCraft Gutter Protection
- Fire damage
- Changes in surface color resulting from chalking, fading, soiling or staining due to exposure to elements
- Deterioration due to air pollution
- Mesh clogging due to tree sap, paint, tar, leaching roof oils, bird or insect droppings, or other organic accumulations
