NOTICE REGARDING SCHOOL BOUNDARIES FOR CORDILLERA RANCH

Notice: School boundaries are subject to change and may affect your school attendance area.

Due to the increasing growth in the Boerne area, the Boerne school district may move the attendance boundaries of any of their schools. Any school information provided to you is meant to reflect the current boundaries. It in no way predicts or guarantees future attendance boundaries for any school.

OUR EXPERTISE:

We cannot make representation or guarantees concerning future changes to school boundaries because the school boards and the district are constantly monitoring the population and growth rates of their schools and making changes when necessary.

THEREFORE, WE RECOMMEND:

That you take an active position in finding out subdivision boundary issues.

That you contact the school district to learn what the issues are.

Other information: For additional information, please contact the Boerne school district at 830-357-2000 or https://www.boerneisd.net/attendancezones.
