Attn: GL Hunt Foundation Repair

Subject: **Foundation Repairs Final**
11110 Rendezvous Dr,
San Antonio, TX 78216

At the request of your foundation repair company, Entek Engineering performed an assessment of the foundation repairs at 11110 Rendezvous Dr, San Antonio, TX 78216. All foundation work and material meet or exceeds with 2021 IRC Code specification for foundation work on residential foundations.

The final confirmation was completed on May 10, 2024. The work has been satisfactorily performed. Refer to attached drawing for final elevations and initial scope of work. Initial scope of work consisted of installing (14) new exterior steel pressed piers and (3) new exterior/interior steel “breakout” pressed piers as shown in attached drawing.

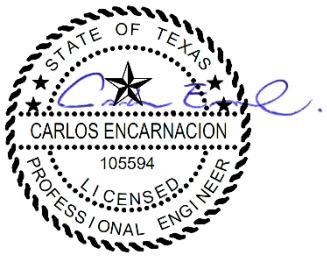

I hereby certify and confirm the foundation repair work at 11110 Rendezvous Dr, San Antonio, TX 78216. I further certify that I am a registered Professional Engineer in the State of Texas.

I further certify that the findings and conclusions contained in this report have been, to the best of my knowledge, correctly and completely stated with no bias, and is based upon my observations and experience. No responsibility is assumed for the events that occur after the final inspection and submission of this report and no warranty is either expressed or implied.

Certified on May 10, 2024.

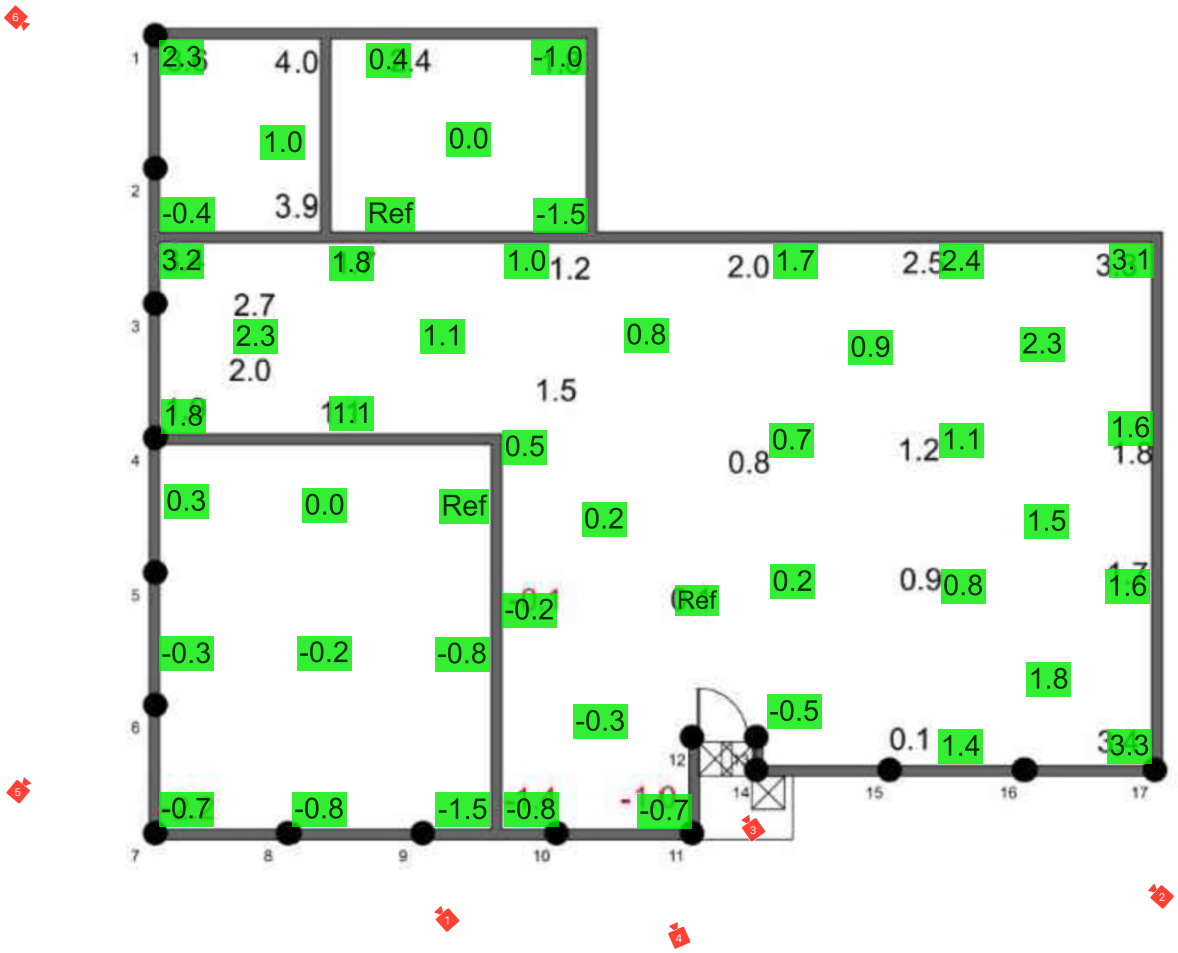

Respectfully,

Carlos Encarnacion, P.E.
