OWNER(S) AUTHORIZATION TO EXCLUDE LISTING FROM THE MULTIPLE LISTING SERVICE

Property Address: 459KnollSprings City: Boerne
State: TX Zip: 78006

1. **LERA Multiple Listing Service ("MLS")**: Listing information submitted to the MLS describes the property, price and other terms and conditions under which a property owner is offered for sale.

2. **Exposure to Buyers/Tenants through MLS and HAR.com (Homes and Rentals):** Listing property with the MLS exposes an owner's property to all real estate brokers and agents (and their potential buyer/tenant clients) who subscribe to the MLS. These listings are also available to the general public through HAR.com (Homes and Rentals) and other real estate websites that receive and display the MLS data to potential buyers/tenants.

3. **Authorization Required to Exclude Property from the MLS**: MLS rules require real estate agents and brokers who are participants in the MLS to submit their exclusive right to sell, lease, and exclusive agency listings for Single Residential, Condominium, Residential Rentals, Multi-Family, Residential Lots/Acreage, Commercial Improved, Commercial Unimproved Land, Farm and Ranch to the MLS within 72 hours after obtaining all necessary signatures from a owner or within 1 business day after the property is marketed to the general public whichever is earlier. However, if the property is not going to be publicly marketed, you may choose to not list a property in MLS in which case the Broker must submit this Authorization, signed by the owner and the Broker, within 1 business day after MLS request.

4. **Private Listing without VOW enabled**: Active Private Listings are automatically made available in VOW data feeds. As an Owner you have the right to opt out of virtual office website (VOW) Display.

   (A) VOW is defined as: A Virtual Office Website ("VOW") is a Participant's Internet website, or a feature of a Participant's website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS Listing Information, subject to the Participant's oversight, supervision, and accountability.
