OPTION PERIOD:

PLEASE REMIND YOUR BUYER(S) that the option period is specific to major items detailed in the Inspection Report and not intended as a time for negotiating every noted item/suggested repair. Should your buyer(s) choose to proceed with the sale, the seller(s) would prefer concessions in-lieu of repairs (with the exception of a loan program). This protects both sides of the transaction.

We appreciate your offer and look forward to working with you!
