

**U. L. CLASS 4
IMPACT RESISTANCE RATED
ROOF SYSTEM**

THIS CERTIFIES that the roof deck panels manufactured by Metal Building Components, L.P. on the building indicated below, carry a Class 4 impact resistant rating as classified by Underwriters Laboratories in accordance with UL2218, "Impact Resistance of Prepared Roof Covering Materials". Only those products bearing the appropriate Listing Mark or Classification Marking and the company's name, trademark or other authorized identification should be considered as covered by UL's Listing or Classification Service and Follow-up Service. The UL Listing Mark or Classification Marking provides evidence of listing or labeling which may be required by installation codes or standards.
