LIFETIME WARRANTY

NAME _____ DATE _____

ADDRESS _____ PHONE _____

- Adjustments shall be made on areas wherein a change of elevation has occurred that exceeds one half-inch (1/2") on a ten-foot (10*) span, for the lifetime current owner(s) at no cost to the owner(s).
- This warranty only applies to the affected areas that were repaired by the installation of materials by Hill Country Foundation Solutions, LLC.
- This warranty does not cover future issues pertaining to acts of god, acts of neglect or omissions by owner, or anything else not under control by contractors.
- This warranty does not apply to homes with plumbing leaks or water/drainage issues.
- In order for this warranty to be effective, the owner(s) must contact Hill Country Foundation Solutions, LLC, identifying specifically any issues or problems pertaining to the foundation repaired.
- The owner(s) must provide Hill Country Foundation Solutions, LLC an opportunity to inspect the premises and an opportunity to make elevation adjustments at the discretion of Hill Country Foundation Solutions, LLC.
- Hill Country Foundation Solutions, LLC reserves the right to determine the final elevations.
- Transfer of this guarantee is available to new owners for a 10% fee of total repairs within 60 days of ownership.

This warranty shall become null and void should any person other than an employee of Hill Country Foundation Solutions, LLC, with written consent of the owner of Hill Country Foundation Solutions, LLC, attempt to or make elevation adjustments to piers installed by Hill Country Foundation Solutions, LLC.
